FIRED THEM

ECHEMIANS BOUNCED FROM CLAIM BY MASKED MEN.

Taken From Their Tent. Ordered to Leave and Not to Return on Penalty of Death-Matter Placed in the Hands of Marshal Sworn Out - News From Other Oklahoma Points of Interest.

GUTHRIE O. T., March 31.-Policeman Hubatka was in this city yesterday and put the facts of another outrage in the Strip in the hands of Marshall Nix.

Hubatka is an office inr Okiahoma City. This week, his brother-in-law, John Swands appeared and told him the following story

Swands and two relatives, Antor Swanda and Charles Swanda, all secured adjoining claims in the Cherokee Strip, and were living on them, all being Bohemians. Last Saturday night several wi chester rifi-s were shoved through the opening of their tent, just after they had retired. Two men entered and made the three Bonemians throw up their hands. All these men were taken outside where the two in ruders were reinforced by

tions. John Swanda wand-red about the prairie all night and in the morning came tack to the tent to find it despoiled of everything. He has not seen his relatives

John Swanda thinks that he recognized three contestants in the men who drove him away, and warrants have been sworn out for Walter Bennett, Abraham Hall and Frank Miller.

FOUND DEAD.

GUTHRIF, O. T., March 31,-David Carr of Okmulgee, who has been missing for ing. Next Tuesday is election day when several weeks, was found dead in weeds with a builet hold in his head. is believed to have been murdered to prevent his testifying in certain cases in which he was an important witness.

BEHRANT HELD.

STILLWATER, O. T., March 31.—The preliminary examination of August Behrant, for the killing of Perry Cline, west of town last week, was concluded today before O. M. Eyler, justice of the peace. The prosecution was represented by Sterling P. King, county attorney, and Frank A. Hutto, the defense being conducted by Neill & Clark and Robert A. Lowry. After a hearing lasting nearly two days the The prosecution was represented by Sterling P. King, county attorney, and Frank A. Hutto, the defense bing conducted by Neill & Clark and Robert A. Lowry. After a hearing lasting nearly two days the defendant was bound over to await the action of the grand incomplete which the defendant was bound over to await the action of the grand incomplete without but the tion of the grand jury without bail.

WEEK IN KINGFISHER.

The Present and Future Pos mastership A Lit le Review and Minor Mention.

KINGFISHER, O. T., March 31 - [Special I -Mention of the postmestership election in last Sunday's EAGLE was incomplete, lacking in results. Lee W. Allis received 67 votes and G. E. Gage 48; a few scattering. It is suggested that as Mr. Gage invited the election, his failure to receive a majority of the votes cast, leaves him at disadvantage. While an election ap-parently settled the contest in Oklahoma parently settled the contest in Oklahoma City, Tecumsed and a few other points, it is not certain that the imprometa vote of last Saturday determines the matter here. The Eingfis er postoffice is one of the most important in the territory, and prudence would dictate careful consideration, not only of the claims of various applicants, but of their business integrity and peculiar qualifications, as well. Again, the term of the present postmuster does not expire until July 12. master does not expire until July 12,

postmaster does not expire until July 12, and the pest policy of the administration warrants the prediction that a change is not like to be made before that time.

Dr. G. W. Fairgrieve, superinten iant of county beard of health, was in the city Tuesday conferring with the territorial member of the board, Dr. J. A. Overstreet, Dr. Fairgrieve is also Rock Island surgeon, and his card bears the elegant "Formerly of London, England."

1. M. Romicap, deputy supreme organizer of the "Order of the World," came in this week from a successful tour. He declares that he finds the EAGLE the favorite everywhere.

one in the county treasurer's office, this being the last day without pensity, pen-ple have lined up a la book, and I'r a-urer Woodwith with two deputies—Guy Condit and Herb Adams—tave experienced a continual sweat. About half the levy has been me, the receipts the past week aggregating \$10,002. Colonel Lyman Cone, late world's fair

Colonel Lyman Cone, late world's fair rommissioner of this territory, was in the city this week. He says the Oklahoma exhibit is still stored at Guthrie awaiting for some cuty to come forward with suitable facilities for its reproduction.

In the famous contest between W. J. Bounet and M. A. Jones over one of the most valuable aconesteads in the territory in aight of this city, the secretary of the interior has sustained Jones. Both parties have anole means and it is nongesteed.

Probably the first and only wedding in the territory between a native of China and Caucasian, was solemaized by Probate Judge Homas B. Mac Gree in this city last Monday. The contracting parties were Y-sing Lee and Miss Molly De Walt. Young Lee and Miss Molly De Walt. Young Lee is 31 years of age, having lended in Sau Franci-co from China, twenty one years ago. He was for fibren years in the lannalry business at Wichita, coming to Kingfisher at the opening five years ago. He was naturalized as a citizen of the United States by the district one (1) member from the First ward. years ago. He was naturalized as a citizen of the United States by the district clerk in this city last Christians. The bride is a healthy looking German girl of nineteen summer, whose parents live in

ALVA, O. T., Marca 31 .- [Special.]-The past week has been the most disagreeable

Kidneys Sharp, shooting pains, back ache, side ache, totion relieved in ONE MINUTE by the Cum-CUKA ANTI-PAIN PLASpain-killing plaster. It restores visal electricity, and hence cures ner-

yous pains and muscular weakness.

weather in the history of our town. The cold has retarded the growth of the grass and the high winds kleked up such a dust that it made things look rather scaly out doors; but it is pleasant now and things have put on a new appearance and new life seems to be added to the people.

Alva is now assuming every phase of an old settled town and from the many farmers' featus seen constantly on the streets, this is certainly a well populated The business outlook for this place is as

The business outlook for this place is as good as could be expected and our merchants are certainly enjoying a good trade. The rush at the land office keeps up at a rate that is surprising to all, but when we consider that M county, which composes the Alva land district, contains something over 11,000 quarter-sections of land that is as good as ever Uncle Sam owned anywhere, it is not to be wondered at that the people are anxious to get possession of a small portion of it.

The Santa Fe engineers have surveyed grounds for a new depot at this place. The company is also going to put in better side track accommodations.

The Alva school board has employed Professor Balay as principal, and Miss

Professor Balay as principal, and Miss Jessie Randall as teacher in the city school for the spring term of school, which will begin about the 9th of April and con-

tinue two month.

Hon. C. W. Dick, county commissioner of the south district of this county, came isto town today to attend the regular meeting of the board of county commissioners. ioners for the April term which convenes sioners for the April term which convenes next Monday. He reports everything in good shape in his part of the county.

Governor Renfrow appointed O. C. R. Randall county attorney of this county about the opening of the strip. He afterwards issued an ordinance removing him and appointed George T. Parry as his successor. Mr. Randall refused to submit to this arrangement, but has ret-ined W. S. Prichet, one of the best legal advisors of two more men.

The Bohemians were ordered to leave the claims and not to appear again on penalty of death. They all fied in different directions. John Swanda wandered about the prairie all night and in the morning came.

Prichet, one of the best legal advisors of this territory, and has brought an action in the nature of a que warrante in the nature of this county to oust Mr. Parry from office and to test the authority periods. of the governor to remove him and appoint a successor. The case will come up for hearing at the April term of court for this county and a lively time is anticipated.

OKLAHOMA CITY EXCERPTS.

OKLAHOMA CITY. March 31 .- [Special.] -The weather here has been anything but pleasant for the last week and consequently our otherwise busy city has been dumpish. The political caldron is boilit will be determined who will go vern our city for the next two years. From appearances the vote will be close and the probabilities are that the elected will be a mixture of both political parties, which is the

Nothing of any in erest or importance going on in the social world either, nearly everbody during the past week keeping within the warmin of their "own fire-side."

The exercises at the high school yester-day were very interesting. Mr. Finnie, an Irish lady, spoke on Ireland. She held the an tience spellbound for an hour. None of the speakers of the lecture course have elicited warmer praises than has Mrs. Finnie Any city would do well to have her lecture before its people. The room was beautifully decorated with the Irish and American colors and the green was conspicuous everywhere. The blockboards bore the legend: "Home Rule for Ireland." The music consisted of the lish national airs-"Killarnev," "Wearin' o' the Green," etc. Miss Madge Rogers sang "Teddy O'Flynn"

They shall be sound, free from holes or any detect, and shall be securely iroued to walls, suspended to floor timbers by strong iron hangers, or laid in trenches of uniform grade. They shall have a regular fall of not less than one-touth of one inch per foot toward the drain or sewer. All vertical soil pipes shall be carried out through the roof open and undiminished in size, All sell cluss chall be carried to a haight of soil pipes shall be carried to through the roof open and undiminished in size, All sell cluss chall be carried to a haight of the sell cluss chall be carried to a haight of soil pipes shall be carried to a haight of soil pipes shall be carried out through the roof open and undiminished in size, All sell cluss chall be carried to a haight of soil pipes shall be carried to a haight of soil pipes shall be carried to a haight of soil pipes shall be carried out through the roof open and undiminished in size, All sell clusters chall be carried to a haight of the soil pipes shall be carried out through the roof open and undiminished in size, All sell clusters chall be carried to a haight of the soil pipes shall be carried out through the roof open and undiminished in size, All sell clusters are all soil pipes shall be carried to a haight of the soil pipes shall be carried out through the soil pipes shall be carried to a haight of the soil pipes shall be carried to a haight of the soil pipes shall be carried to a haight of the soil pipes shall be carried to a haight of the soil pipes shall be carried to a haight of the soil pipes shall be soil pipes shall be carried to a haight of the soil pipes shall be soil pipes shall PIPES, TRAPS, CLOSETS, ETC.

soil pipes shall be carried out through the roof open and undiminished in size. All soil pipes shall be carried to a height of not less than one foot above the highest part of the roof. Changes in direction shall be with regular fittings and con-nections with horizontal solid or waste pipes made with "Y" branches or sanitary "T"s.
Sec. 3. All iron pipe must be sound, free from holes and of a uniform thickness known as standard soil pipe, and in case the building is over forty feet in height above the curb the use of what is known as extra heavy soil pipe and corresponding fittings are required and weight as follows:

Descript 2 inches 5% rounds are foot.

Sec. 4. When lead pipe is used for waste pipe it shall not be lighter than the following weights per lineal foot, viz:
Diameter 14 inches, 234 pounds per foot.

Sec. 5. All wrought iron pipes and fitfor vents must be of galvanized or cast fron extra heavy.

Sec. 6. All cast iron pipes and fittings
must be thoroughly coated inside and out with coal tar or other equivalent sub-stance sound and free from noies, and in sil buildings must be extra heavy. All joints on cost from pipes must be made with suitable packing of picked oakum run full of molten lead and thoroughly calked to prevent the escape of sewer gas CONNECTIONS.

Sec. 7. All connections of lead with iron sec. 7. All connections of lead with iron pipe must be made with a brass or combination ferrule of the same size as the lead pipe, calked or screwed into the iron, and connected by a "wiped joint." FLUSH PIPES.

Sec. 8. All flush pip s for water closely shall be of galvanized iron, bress or lead and shall not be less than one and one quarter (1%) nobes in dismeter. SUPPLY PIPES.

All supply or main water pipe must be of brass, gaivanized from or lead, and if of lead must be of the quality known in the market as "Ex. strong," and in no case smaller than one-half inch. All main steps or stop and waste cocks shall be the same size as the pine it serves

one and one quarter (1%) inches in diameter for fifteen feet, one and one-half (1%) inches for twenty-five additional feet, two inches for sixty additional feet and three inches for eights additional feet.

I. M. Roulean, deputy supreme or gariner of the World," came in
this week from a successful four. He declare that the finds the Eagle the favorine everywhere.

Notwithstanding the money squeeze,
people in this vicinity are setting out
sorted point alone, for his spring delivery has
seen out thus far 5000 apple trees, 2000
peach, 500 cherry, 400 anricot, besides other
trees aggregating about 11,000, and 12,000
Concord grap-s.

The prediction about great fruit barvests
last week seems to have been premature.
Reports are that future prospects are not
the most flattering, owing to the severe
cold of sunday and Monday e-specially
peaches and plums which bloomed early.
A centry hortellural society was
acrganzed here town, Hen. Ha and bit C.

Seats now on sale at box office.

ELECTION PR CLAMATION.
I. I. M. Cox, mayor of the city of Wichita, councy of Sedgwick and state of Kansas, by virtue of the authority vested in me by law, do hereby make proclamation to the qualified electors of said city of Wichita, that there will be held on Tuesday, the 3d day of April, A. D. 1894, an election for the purpose of electing the following officers, to-wit:

Six (6) councilmen as follows:
One (1) councilman from First ward, vice W. N. Caswell, term expires.
One (1) councilman from Second ward, we will be at the proclamation with "Y" branches or sanitary "T"s or one-eighth (90) bends.

VENTILATION. SEWER CONNECTIONS

Sec. 13. No brick, sheet-metal or earthen-ware flue shall be used as a sewer ventila-ter, nor shall any comment flue be used for Sec. 13. No brick, sheet-metal or earthen-ware flue shall be used as a sewer ventilator, nor shall any enimney flue be used for that purpose, and the terminals for all vents must be at least 5 feet from all flues, water tanks or air shafts, and in no case shall they terminate at lower distance than 2 feet above the guiter wholesses onnect with one vent, such connection shall be made with not less than one and one balf (150) inch pipe, and for three fixtures not less that two (3) inch pipes for three fixtures pipes shall be used; all main vent pipes shall be two (2) inch for 60 feet or less, and three (3) inch pipe may be used for any height above 51 feet, provided that vent pipes for three or more fixtures with pipes for three or have fixings with waste pipes 3 or 4 inches in diameter shail not be less than 3 inches for 40 feet or less; over 40 feet 4 inch vent pipes shall be run straight and direct as practicable, be run straight and direct as practicable, with a grade to prevent trapping by con-densation; but in all cases where vent pipes connect waste pipes, such councc-tions shall be made six (6) feet above the bighest fixtures in the building, but may

lated by means of a shaft or air duct with at least four square test of area to every room opening into said shaft. No put closet, plunger closet, direct pressure closet pressure closet or any direct pressure closet shail hereafter be placed in any building in the city of Wichita. Plunger closet may be used by special permit of city engineer and sewer inspector. All water closets in the house must be supplied with water from tanks. Interior water closets must never be supplied directly from the city supply pipe. A groop of closets may be supplied from one tank, but water closets on different floors will not be permitted to be flushed from one tank. Any outside vaults now erected and being used for water closets in rear of business buildings, restaurants or hotels, shall be supplied with sanitary flutres as described in this ordinance or cease to be used for lated by means of a shaft or air duct with

spector of sewers.

Sec. 15. Every sate under a basin water closet or other fixture except urinal shall be drained by a special pipe of lead or iron not less than one (1) inch in size, and not directly connected with any soil pipe, drain or sewer and shall be made to discharge on floor of cellar or over sink. All urinal safes shall be of the same material and must be made to discharge in similar minner to above. No waste pipe from a refrigerator or other recep scle in which provisions are stored shall be connected with any drain, soil or waste pipe, such waste pipe shall stored shart be connected with any drain, soil or waste pipe, such waste pipe shall be so arranged as to admit a frequent flushing and shall be as stort as possible, and when impracticable to run to an open fixure it may discharge outside in sight. The overflow pipe from tanks shall discharge into an open fixure, (properly trapped) or in roof or gutter.

SOIL PIPE TEST.

trapped) or in roof or gutter.

Soil PIPE TEST.

Sec. 16. All soil water, air or drain pipes inside buildings before being covered up must have all openings stopped up and filled with water. They shall be tested in the presence of the inspector of ewers and engineer, and if satisfactory he shall issue a proper certificate, when the work can be covered up. Also a further test is to be made with peppermint on completion of work. completion of work. SEWERS.

Sec. 17. No person shall allow any water from the roof of houses or buildings to enter any pipe or drain connected with the public sewer or admit any drainage water from any shelter into such a pipe or drain without obtaining permission from the inspector of sewers.

Whenever any drain connected with any

public sever or drain becomes obstructed, broken or out of order, or in such condi-tion as to prevent the use of the sewer or drain or unfit for the purpose of drainage, the owner, agent or occupant, or person having charge of any building yard, lot of land, or other primises which are drained by the said drain or s-wer shall, when di rected by the sewer in-pector, remove, re-construct, after, clean, or repair said drain as the condition of said drain may require. SEWER COMMITTEE.

Sec. 18. The sewer committee shall have the power in all cases where there is a public sewer in any street or alley to cause any owner of land upon or adjoining said street or alley, his agent or tenant, to be notified to make a sufficient drain and All main steps or stop and waste cocks shall be the same size as the pipe it serves and none but a standard step or waste cocks shall be used.

DRAINS AND VENT PIPES.

Sec. 10. All drain, soil waste and vent pipes, and traps must, if practicable, be exposed to view for ready inspection at all times, and for convenience in repairing: When necessarily placed within partitions or in recesses of walls, solid waste and vent pipes should, if practicable, be covered with woodwork so fastened with screws as to be readily removed. Vent pipes outside of water consects shall not be less than one and one quarter (1½) inches in diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½) inches to diameter for fifteen feet, one and one-half (1½)

ARCHITECTS, BUILDERS AND OTHERS. Sec. 19. No person shall hereafter erect or cause to be erected or converted to a new purpose by alteration any building or structure, or change the construction of any building by addition or otherwise so that it or any part thereof shall be insdequate or defective in respect to plumbing.

Sec. 20. No plumber having a permit shall allow his name to be used by any person directly or indirectly either to obtain a permit or permits, or to do any work under his license for plumbing.

Sec. 21. All basements and cellars must be provided with back water traps of standard pattern approved by sewer inspector and endest.

spector and engineer.
Sec. 22. Anyone violating any section or parts of section of this ordinance shall be subject to a fine of not less toan twenty-five (\$25) dollars nor more than five hun-

dred (\$500) dollars.

Sec. 23. This ordinance shall take effect and be in force from and after its publication in the Wichita Daily EAGLE.
